Sacramento County H1N1 Flu Vaccination Clinic Schedule

Sacramento County Public Health will offer FREE H1N1 Flu vaccination clinics at the following locations. The vaccine will be provided free of charge to anyone who is a resident of Sacramento County who is older than six months and medically able to receive it.

Although the clinics are open to everyone, we encourage those who are at highest risk to come for a vaccination. These groups include pregnant women, healthcare workers, persons caring for children under 6 months of age, children and young adults aged 6 months to 24 years, and adults aged 24-64 with underlying medical conditions

This clinic schedule may change due to vaccine availability or other factors. Before you come to a clinic, please check our Web site at www.SCPH.com and click on the H1N1 (Swine) Flu graphic for the latest information.
